### [Deadline Approaching for National Institute of Dramatic Art \(NIDA\)](#)

Acting Applications Close 15 September, other degrees close throughout September

NIDA's unparalleled practice-based learning, connections to industry and culture of innovation have produced some of the world's most influential and in-demand storytellers across stage, screen and beyond.

We offer an unmatched range and depth of industry-relevant training across performing arts disciplines including: acting, costume, cultural leadership, design, directing, make-up, musical theatre, props, scenic construction, stage management, technical theatre, and writing.

This, along with the Institute's international networks and deep industry links, ensures our graduates are immediately employable, enjoying successful careers in theatre, dance and opera companies, festivals and events, film, television and games production.

### [ASX Schools Sharemarket Game](#)

Registration Closes 25 September

While you teach your students about investing and the Sharemarket, they can put into practice what they are learning by participating in the Sharemarket Game. Students receive a virtual \$50,000 they can invest over a 10 week period, in over 300 companies listed on the ASX. The prices students buy and sell at are the same prices as they would get in the live market so this is as close to real life share trading as you can get. The Game now also provides your students with exposure to 55 ETFs and 5 LICs to diversify their portfolio.

By participating in the Game your students will:

- Develop their knowledge of the sharemarket,
- learn how to research companies,
- discover the importance of wise investment decisions,
- gain a greater knowledge of economic and world events, and
- begin to learn more about investing which is beneficial for their future.

The Game can be part of a school subject or an extra-curricular activity offered to students. It is free to register and as a bonus students can win cash prizes.
