21-23 January

Are you an aspiring Opera or Music Theatre singer? Hone your singing and acting skills at our 3-day Opera & Music Theatre Intensive!

Opera & Music Theatre Lab Intensive is a 3-day intensive program for aspiring operatic and/or music theatre singers aged 15 – 25. Working with a team of professional conductors, directors and music coaches, in Opera & Music Theatre Lab Intensive you will be rehearsed into ensemble numbers drawn from both the opera and music theatre repertoire and also have the opportunity to perform solo items as part of the final show.

The program will be fast paced, challenging, and stimulating as you develop dramatic performance skills with like-minded students, culminating in a short public performance for your family and friends involving all participants.

[Academy of Entertainment Open Day](#)

22 November

Discover the courses designed to get you started in game development, 3D animation, film and visual effects at the AIE Open Day. This event will be held at AIE Campuses in Sydney, Melbourne, Canberra and Adelaide from 10am to 3pm.

AIE's Open Day is a great opportunity to meet our teachers, staff and students. The day will cover everything you need to know about the:

- careers in games and VFX that we train students for;
- studios and industries that we work with;
- courses we offer - from beginners to professional mastery, and;
- the software, skills and knowledge we teach.

AIE's Open Day will also include presentations on entry requirements and how to apply. Find out how AIE can get you into a creative career.

21 November

Tour our campus, meet your future academics and classmates, explore our state-of-the-art facilities, catch live performances, and discover how our degrees in Performance, Composition, Creative Technology-Audio and Music Business can help you build your career in music.

If you've just finished school or are taking a gap year, this is your chance to see where your future in music begins; and you don't have to wait.

PDHPE

[Register for the next ACPE Experience Day](#)

Next Date: 19 December

Tour our state-of-the-art facilities, interact with our passionate students and experienced lecturers and participate in informative sessions and hands-on workshops.

Want to pursue a career in sport? Discover why ACPE is ranked #1 for Health, Sport, Physical Education, and Dance. Join us on campus. See where you will study, meet our students and lecturers, and participate in info sessions and practical workshops to take the next step with confidence.

We'll have a number of sessions running throughout the day so you can decide on how you would like to enjoy your Experience Day! [See below](#) for details on the workshop and speaker bios.

Maths and Science

[Registration Opens Soon for SciX@UNSW](#)

Registration Opens 27 October

The SciX@UNSW Program is designed to support passionate high school students who are eager to delve into scientific research. In this on-campus program, students will join a UNSW research group and conduct an independent research project, ideal for HSC Extension Science, International Baccalaureate (IB) independent projects, or to find out what a career in research science is like. Each project is overseen by a member of the academic research staff. The projects are taught by UNSW graduate research students who will act as student mentors throughout their project. They will introduce you to cutting-edge research tools and methodologies and guide you as you extend your scientific skills.

The highlight and key component of the SciX@UNSW Program is a one-week intensive Summer School, held at the end of January. Held on campus at UNSW Sydney, students will be supported to develop individual hypotheses, conduct data collection, and build their analysis. All this before the summer holidays are over.

HSIE

[State Library - The Project: History Extension Seminar Day](#)

13 November

Presented by Museums of History NSW and the State Library of NSW, this seminar day will equip students with the tools, advice and confidence to embark on their major project!

This year for the first time, the History Extension Project Seminar Day will be delivered as a hybrid event. Students have the option to attend the full day program in person, or half a day online (morning sessions only). Whether attending in person or virtually, attendees will have the opportunity to engage with museum, library and history professionals, History Extension experts, and former History Extension students.

TAS

[Enter the World of Le Cordon Bleu - High School Residential](#)

Event Dates: 25-26 November

Do you dream of becoming an award-winning chef, pâtissier or owning a popular patisserie or restaurant? Discover which Le Cordon Bleu program will best prepare you for your ultimate career! We're opening our doors to high school students in Years 11 & 12, to experience a day in the life at one of the world's leading culinary and hospitality institutions, providing a taste of what a future career in global hospitality will be like.

Come and meet our lecturers, hear from industry experts, discover what Le Cordon Bleu culinary arts and hospitality management programs involve and experience hands-on lessons with our chefs. Plus, learn how our Work Integrated Learning (WIL) industry placements create work-ready graduates with real workplace experiences in leading establishments.

There are only 14 places available, so get in quick!
