[Lock in your preferences for SRS offers](#)

Change Preferences By 6 November for November Round 1

Change Preferences By 18 December for December Round 2

Change Preferences By 30 December for January Round 1

If you're in Year 12 and you've applied for undergraduate study through the Schools Recommendation Scheme (SRS), it's time to lock in your preferences: the first offer round is just around the corner.

First SRS offers will be made on Thursday 13 November.

Institutions have the option to make further unconditional offers in November Round 2, December Round 1 and December Round 2.

If you receive an unconditional offer, accept it. If you want to receive another offer in subsequent rounds, move the course you have accepted to the bottom of your list or remove it entirely.

If you receive a conditional offer, you still need to:

- meet the criteria stipulated in the offer
- meet all other institution requirements for that course
- include the course in your list of preferences by 11.59pm on Thursday 18 December. Make sure the course that you would most like to do is at the top of your list.

[5 things you need to know about EAS](#)

The Educational Access Scheme (EAS) helps UAC applicants who have encountered significant educational challenges. It gives them the opportunity to have their circumstances taken into account when institutions select applicants for courses.

If you are a current Year 12 student applying for EAS, you'll need to submit your application and documents by 18 November 2025 for the application to be considered for December Round 2 (23 December), the main ATAR-based offer round.

Here are five things to help you navigate the EAS application process (including how to troubleshoot problems with uploading your documents).

Upcoming UAC Key Dates in November

6 November - Undergraduate (non-school applicants): Change preferences for November Round 1 offers

6 November - SRS: Course preference deadline for first SRS offers

13 November - November Round 1 offers released

13 November - SRS: First offers released

14 November - Equity Scholarships: November Round 2 application deadline

18 November - EAS: Closing date for EAS applications for December Round 2

27 November - November Round 2 offers released

27 November - December Round 2 application deadline

28 November - Equity Scholarships: November Round 2 outcomes released

University - Institutes

[Western Sydney University Vice-Chancellor's Leadership Scholarship](#)

Applications Now Open

The Vice-Chancellor's Leadership Scholarship (VCLS) aims to reward the success and accomplishments of high-achieving secondary school students who demonstrate excellence not only in their academic studies, but also in other aspects of their lives. Additionally, these scholarship holders are offered access to The Academy which helps to optimise their academic and leadership potential.

The scholarship is valued at \$10,000 per year for up to 5 years* for an undergraduate degree including Honours, or for a five-year combined degree

[Next Western Sydney Drop-In Sessions](#)

Next session: 26 November

In 2025, Western is hosting a series of online drop-in sessions for you to chat with our Future Student Engagement Team. Drop in during any of our sessions to get your burning questions answered.

Ask about your dream degree, alternative entry pathways, scholarships, support services or any other Western-related topics.

[STEM at University of Sydney](#)

STEM courses open up a world of opportunity

As new fields of STEM employment continue to emerge, it's important for today's graduates to be agile and able to adapt their skills to this fast-changing global economy.

What can I do with a STEM degree?

The range of STEM careers is broad and diverse, from biomedical engineering and software development to psychology and accounting. Our graduates are leading varied and fulfilling careers - we've taught Australia's first astronaut, an Antarctic explorer, a chief scientist and a Nobel laureate. The future is looking bright for tech innovators and critical thinkers, and our degrees can help you get an edge over the competition. Our purpose-built labs, teaching and learning hubs are home to the latest technology and equipment, providing you with an engaging and hands-on educational experience.

Find out more about the Faculty of Science, Faculty of Medicine and Health and the Faculty of Engineering and IT's laboratories and facilities.

[Enter the world of Women in Engineering at the University of Sydney](#)

More women than ever are choosing to study engineering and computing at the University of Sydney, and it's easy to see why.

With scholarships for women, high school outreach programs by girls for girls, female student societies and high-calibre female lecturers and researchers, it's no wonder the proportion of undergraduate female students at the University of Sydney is double the national average.

[The University of Sydney course calculator](#)

Use our ATAR search tool to explore your course options, adjustment factors and admission pathways. If you think you might be eligible for adjustment factors, include these in your ATAR estimate to see what courses you might be eligible for based on your selection rank (ATAR + adjustment factors)

[University of Sydney Webinar - Explore the world of nursing](#)

19 November

Discover what makes nursing at the University of Sydney truly unique. Our accomplished educators bring rich, real-world experience into the classroom, shaping the next generation of nurses with insight, compassion, and innovation. Join this inspiring webinar to hear from leading voices in nursing as they share their diverse career journeys and how they're preparing future nurses for a dynamic healthcare landscape. You'll also gain an overview of our Nursing degrees, hands-on work placements, with further study and career options. If you're curious about a career in Nursing, this session is for you.

[University of Sydney Webinar - Your Future in Media: Explore Sydney's Bachelor of Media and Communications](#)

26 November

Dive into the exciting world of media and communications with our Bachelor of Media and Communications degree. Discover how this degree can help you turn your passion for media, storytelling, content creation, journalism, marketing and public relations into a dynamic career.

In this session we will discuss the entry requirements, course structure, career opportunities and the hands-on learning experiences that prepare students for the real world

[UTS Webinar - Find your fit in Engineering](#)

25 November and 16 December

Exploring university options is an exciting step, especially for Year 12 students finalising UAC preferences with support from parents or guardians.

Our Find Your Fit in Engineering webinar is designed to make that journey clearer and more inspiring. We'll walk you through all the Engineering majors offered at UTS, answer your questions, and show you why your ATAR doesn't define your future. You'll also hear first-hand from a current UTS Engineering student about their experience and gain insights from a UTS Engineering alum on the career opportunities that await after graduation.

Whether you're still exploring your options or want to feel confident about your final preferences, this session will help you find the degree — and the future — that fits.

[UTS Nursing Clinical Lab Tours](#)

27 November

Discover where you can become a Registered Nurse at Australia's #1 uni for academic reputation in nursing and midwifery*.

If you're applying to UTS in 2026, here's your chance to tour our world-class clinical lab facilities, meet with current Bachelor of Nursing students and ask them what it's really like to study nursing at UTS.

[UTS College - Know your options: HSC Parents info session](#)

12 November

You're not alone wondering what comes next if your child doesn't get a UTS offer. The good news is there's another way to UTS – through UTS College.

Our first-year university diplomas give your child extra support, smaller classes, and the same subjects as first year at UTS. They don't need an ATAR or UTS offer to start, and most students fast track straight into second year of their UTS degree*.

It's a smart way to complete their UTS studies, not lose any time, and graduate with both a diploma and a degree.

[ANU Webinar - Moving interstate for ANU?](#)

26 November

Get ready for your move to Canberra! Join our accommodation team for a live webinar packed with practical advice, insider tips, and a Q&A session to help make your interstate move stress-free.

[ACU Student Accommodation Scholarships](#)

We know moving away from home to live closer to uni can be challenging, but our scholarships are here to help. Browse our scholarships below – you could be eligible for one or more to fund your studies.

Conditional approval for many of these scholarships can be awarded while you wait for your ACU offer. So, apply now.

[Charles Sturt University Scholarships](#)

You want the best education, but it's got to be affordable. We get that.

That's why we offer more than \$11 million in scholarships and grants - to make studying easier for students like you.

The extra cash from scholarships and grants can help pay for the cost of your subjects, reduce your accommodation bill or buy things like laptops or textbooks. Stress-free study? Yes, please.

[Charles Sturt University Elite Athlete and Performer Program](#)

Training, performing, or competitive sporting commitments can be challenging and may require additional flexibility. We can support you while you balance your sporting career and study commitments.

Our dedicated staff can support you while you study as part of the Elite Athlete and Performer program. Many of our members can:

- study their course online
- get special consideration for admission
- apply for elite athlete and performer program scholarships
- get flexibility in their studies, sit exams elsewhere or get assignment extensions
- get subsidised on-campus accommodation support
- access tailored study plans and academic support
- use our gyms and sporting facilities
- get free Charles Sturt Elite Athlete and Performer Program apparel
- get Uni Nationals representation subsidies.

[Charles Sturt University - Making it in media](#)

14 November

Are you passionate about content creation, news, journalism, media, advertising or public relations?

If you're a student in Year 9, 10, 11 or 12, join us for our free Making it in Media workshop!

Ever wondered what it's really like to host a podcast, write newsworthy articles or work in TV? In this exciting full-day workshop, you'll dive deep into the dynamic worlds of design and content creation, news and media, and strategic communication.

This interactive, hands-on experience invites you to collaborate with other students and explore the diverse majors on offer when you study with Charles Sturt.

[Southern Cross University Scholarships](#)

Southern Cross University have updated our scholarships search and application function so it is easier than ever to apply. With one simple application and many scholarships, you can start being considered for scholarships before you even accept an offer to study.

[Accommodation Contacts For Southern Cross University](#)

A range of on-campus accommodation options are available at four residential colleges across the [Lismore](#) and [Coffs Harbour](#) campuses. Apartments are modern and fully furnished, with their own kitchen, lounge, dining area and bathroom.

[Southern Cross University Campus Tours](#)

6 November

Register for our upcoming campus tours. You will hear from study experts and current students about popular pathways into university, our unique 6-week terms, courses and student support. We also share information about applying, accepting your offer and enrolling to study.

Let's show you around campus. We invite you to join us for an upcoming campus tour on our Gold Coast, Lismore or Coffs Harbour campuses. Experience for yourself our world-class facilities. Our study experts will also be on hand to walk you through our free, simple application process.

[University of Newcastle Entry Options](#)

Regardless of your educational background, we've got a place for you. Your application will be assessed against our admission criteria, and we will extend an offer based on your eligibility and individual circumstances

[University of Newcastle - Sneak peek - Central Coast Campus - Gosford Central](#)

1 December

Join us for an exclusive sneak peek of Gosford Central!

Be among the first to step inside our new state-of-the-art facility - Gosford Central - before it officially opens for Semester 1, 2026!

This special event is your opportunity to explore the building, meet University staff and students, and discover the exciting study and career pathways available on the Central Coast.

[Warrane College UNSW Accommodation Scholarships](#)

Leadership, Sporting, Rural, Community Service, Cultural and Academic The following scholarships are available to students applying for residency in 2025. Warrane College offers several scholarships to students starting their first year of residency at the College. For more information on scholarships. Member of the school's leadership team (including School Captain & Vice-Captain, House Captains and Prefects) Amount of each scholarship: \$4,000 to \$8,000

[UNSW Arts, Design & Architecture Portfolio Entry Information Session](#)

11 November

Unlock your future beyond your ATAR!

At UNSW, we know you're more than just a number. That's why we've created the UNSW Portfolio Entry Early Conditional Offer Scheme—a pathway to university that recognises your unique talents and ambitions. Join us for an exclusive info session tailored for students applying to degrees within the Faculty of Arts, Design & Architecture for 2026. Hear directly from UNSW academics on how to craft a standout portfolio that highlights your strengths.

[UNSW Portfolio Entry Information Evening](#)

12 November

Unlock your future beyond your ATAR!

At UNSW, we know your creativity, individuality, and drive can't be captured by an ATAR alone. That's why we offer the UNSW Portfolio Entry Early Conditional Offer Scheme—a pathway to university that truly reflects who you are.

Join our Information Session!

Hear directly from UNSW academics and students about crafting a compelling portfolio for degrees within the Faculty of Arts, Design & Architecture and the Faculty of Engineering in 2026. We'll guide you through what to include, how to apply, and tips to help you succeed. Plus, you'll have the chance to ask questions and get clarity on anything you're unsure about.

University - General

[MedEntry UCAT Prep](#)

MedEntry is the most trusted UCAT organisation in Australia. After 20 years, 20,000 graduates and more than 4,000 five-star reviews globally, we understand medical entry better than anyone. We urge all students and parents to carefully consider the list below before choosing a UCAT organisation.

[Women of STEM Scholarship](#)

Applications Open 18 December

Scholarships for women aged 18 - 20, who are commencing a relevant* STEM related degree.

To help provide opportunities for young women, the ACS Foundation launched the Women of STEM Scholarship Programme for women aged 18-20. These scholarships are open to female students entering their first year of a relevant* STEM degree in 2025 at an Australian University. The Women of STEM Scholarship program is a national program & provides the successful candidates with financial grants of \$5,000 per year for the life of their University degree (maximum of 5 years).

(*please check eligibility criteria on the website)

[Bond University - Medical Program Information Session for 2026 Intake](#)

12 November

The Bond University Medical Program offers students opportunities to bring to life their ambitions to become outstanding practitioners, thinkers, and leaders, well-equipped to deliver evidence-based, patient-centred health care that meets the needs of a diverse community.

We invite you to join the Dean of Medicine who will provide an overview of the Medical Program at Bond University. Get the answers to all your questions during this information and interactive chat session. It's your opportunity to ask the important questions, explore your options and discover if Bond University is the right fit for you.

TAFE

[TAFE NSW TVET Guide 2026](#)

TAFE-delivered Vocational Education and Training (TVET) courses help students build practical skills and industry-specific knowledge, and count toward school outcomes, with some courses contributing towards an Australian Tertiary Admission Rank (ATAR).

[Australian Training Company Apprenticeships and Traineeships](#)

The Apprentice Employment Network and its 29 member Group Training Organisations have over 1000 apprenticeships & traineeships on offer for school leavers. We are also running numerous pre apprenticeships courses giving school leavers a kick start they need for picking up a trade.

[Jobs Board Apprenticeship Careers](#)

An apprenticeship or traineeship with us is a great way to set yourself up for a long and successful career. You can start to put some dollars in your pocket whilst studying for a nationally recognised qualification you can build a career on or even start your own business!

[Careers at Council Current Vacancies](#)

Local Government is a great place for students and school leavers to start their career. A huge range of traineeships, apprenticeships and cadetships are available in councils across NSW. For more information and our Jobs Board for vacancies available now.

[AFL Sportsready - Traineeships Explained](#)

Learn everything you need to know about AFL SportsReady's traineeship program in this FREE digital resource and find out whether this could be the best career pathway for your students.

[TAFE Open Week 2025](#)

17-23 November

TAFE NSW Open Week is an opportunity for prospective students to learn about TAFE NSW courses, facilities and support services.

This year's event will provide more flexibility and more live interactions, with a chance to chat directly with our expert teachers, join Information Sessions and explore courses in detail.

Perspective students will also discover more about scholarships, degrees, pathway opportunities, flexible study options, enrolment support and so much more.

[Greenworx Landscape Management - School Holidays Jobs](#)

Greenworx Pty Ltd is a commercial landscaping business, we deliver a range of landscape and turf management services to schools, colleges, business parks, industrial estates, hospitals, sporting fields, and cemeteries. The role involves whipper snipping, brush cutting, mowing, hedging, clearing garden beds of litter, and applying herbicide / pesticide sprays, working in small teams (usually 2 / 3 team members) per site to keep our green spaces looking tip-top! The work itself takes place across various Sydney sites (mostly North, West and South suburbs) – and these change from week to week, keeping the role varied.

The workday starts at 06:30AM and finishes at 2:30PM with flexible rostering (3 - 5 days per week), tailored to a student's availability. This allows our staff to keep evenings and weekends free for other commitments such as studies / sports.

The role is especially suited to students who are transitioning out of school or who wish to secure casual employment over the long school break. Experience using basic garden equipment is desirable, but not essential, as we provide on-the-job training. We offer pathways to an Apprenticeship in Landscaping, Parks & Gardens, or Horticulture.

Private Colleges

[Beford College Scholarships](#)

Our scholarships are designed to give students opportunities they might not otherwise have. We recognise that every student is different and all shine in their own way. We see hard work and determination as an indicator of a potential scholarship candidate and also recognise that there are many other reasons we may consider when selecting those to receive this grant.

[Australian Institute of Music - Mini Open Day](#)

21 November

Tour our campus, meet your future academics and classmates, explore our state-of-the-art facilities, catch live performances, and discover how our degrees in Performance, Composition, Creative Technology-Audio and Music Business can help you build your career in music.

If you've just finished school or are taking a gap year, this is your chance to see where your future in music begins; and you don't have to wait.

[Australian Institute of Music - Music Theatre Audition Day](#)

21 November

Our open-call audition day offers a collaborative and experience-based environment, allowing applicants to work with faculty and get a sense of what student life is like at AIM.

Across the course of the day, prospective students will participate in a series of classes in addition to a 1:1 interview/audition.

THE AUDITION PROCESS CONSISTS OF:

- **Singing:** Students will be assessed on vocal technique and development potential in addition to general musicality. Two contrasting pieces are required to be performed. All sheet music in the correct keys should be supplied by the prospective student.
- **Acting:** Students will be required to perform a prepared monologue (2-3 mins) of their choosing in addition to general acting instruction on the day, assessing skill level and potential for development.
- **Dancing:** Students will be assessed on their technical abilities, approach to dance/movement and potential for development.

Comfortable clothing that allows you to move well is encouraged. Chorus heels/dance shoes are preferred, if not available any active shoe is acceptable. Pen and paper may be useful, but not essential.

[SAE - Change of Preference Session](#)

12 December

No matter where SAE University College lands on your higher education preference list, our Change of Preferences Online Session will help you figure out exactly where you want to be. Come vibe with us to uncover the real deal about who we are, what sets us apart, and where a degree from SAE could take you!

[Academy of Entertainment Open Day](#)

22 November

Discover the courses designed to get you started in game development, 3D animation, film and visual effects at the AIE Open Day. This event will be held at AIE Campuses in Sydney, Melbourne, Canberra and Adelaide from 10am to 3pm.

AIE's Open Day is a great opportunity to meet our teachers, staff and students. The day will cover everything you need to know about the:

- careers in games and VFX that we train students for;
- studios and industries that we work with;
- courses we offer - from beginners to professional mastery, and;
- the software, skills and knowledge we teach.

AIE's Open Day will also include presentations on entry requirements and how to apply. Find out how AIE can get you into a creative career.

[Register for the next ACPE Experience Day](#)

Next Date: 19 December

Tour our state-of-the-art facilities, interact with our passionate students and experienced lecturers and participate in informative sessions and hands-on workshops.

Want to pursue a career in sport? Discover why ACPE is ranked #1 for Health, Sport, Physical Education, and Dance. Join us on campus. See where you will study, meet our students and lecturers, and participate in info sessions and practical workshops to take the next step with confidence.

We'll have a number of sessions running throughout the day so you can decide on how you would like to enjoy your Experience Day! [See below](#) for details on the workshop and speaker bios.

[Torrens University - Hotel Management Courses Information Session](#)

30 October

Join us for an engaging session where we'll introduce the exciting new Diploma and Bachelor of Business (International Hotel Management) programs, designed with an industry-focused approach and hands-on placements with leading hotel brands. We'll also touch on the Master's course, which continues to offer advanced opportunities for career development.

[ICMS Parents' Information Evening](#)

18 November

As a parent, you play a vital role in your child's successful transition from school to higher education. We understand that choosing where and what to study can be a daunting and stressful decision – and not just for your school leaver. The ICMS Parents' Information Evening will help you support your school leaver as they navigate the complex tertiary admissions process.

[The Grove Studios Academy Open Day](#)

8 November

The Grove Studios Academy will be hosting an open day, join us for a tour of our iconic music studios and learn more about our diploma and advanced diploma of music (sound production).

[New Specialisations - AIBI HE's Bachelor of Business - AI Management, Hospitality Management and Enterprise Management Systems](#)

AIBI Higher Education has launched 3 new specialisations for their Bachelor of Business, including AI Management, Hospitality Management and Enterprise Management Systems. With the AI Management specialisation, learn AI fundamentals, digital transformation, process automation, data visualisation, human-AI collaboration and AI ethics. Applications open for March 2026, with early entry and scholarships available. More here: <https://aibi.edu.au/> or domestic@aibihe.edu.au or 1300 23 77 41

General

[Taronga Zoo Sydney offers school work experience](#)

Applications Close 28th February 2026, unless places fill up earlier
Applications for 2026 School Work Experience program are now open. The application process involves two parts, and both must be completed for the applicant to be considered. Please first read the information on this page below to ensure work experience is for you. All applications must be made by the school careers advisor.

If you're interested in a career in animal husbandry, veterinary practices or wildlife conservation, work experience at the Zoo could be the perfect way to test the waters in the animal care industry.

Students completing work experience at the zoo will be given the opportunity to participate in the following:

- Observe a variety of work in the fields of zoo keeping or animal care, veterinary hospitals and wildlife conservation
- Undertake basic supervised tasks in these fields
- Gain skills and knowledge related to working within the zoo industry
- Investigate training and employment opportunities with Taronga

[Australian Federal Police - Eligibility Requirements](#)

We are always on the lookout for candidates with sound academic performance and strong critical-thinking skills. You must be over 18 to apply for a job at the AFP, but you can still register your interest in joining if you're under 18.

To be a police officer or protective service officer in the AFP, you must:

- be over 18 years old
- be an Australian citizen
- meet our [character standards](#).

If you progress through the recruitment process you'll be asked to:

- complete the [Employment Suitability Questionnaire](#) (including providing your [traffic history](#))
- obtain a security clearance, including a national police check
- provide evidence you've had 2 primary doses of an approved COVID-19 vaccine or one dose of the Janssen (Johnson & Johnson)
- undergo mandatory drug testing and provide your fingerprints.

[Generation STEM Western Sydney - Liverpool Showcase 2025](#)

25 November

As a valuable member of the Western Sydney community, we invite you to join us for a special community showcase featuring the creative STEM solutions developed by local students through the CSIRO Generation STEM Community Partnerships Program.

This initiative brings together schools, industry, and community to explore real-world challenges – such as agribusiness, biodiversity, connected communities, recycling and waste management, and youth – and empowers students to design practical solutions that make a difference locally.

At the showcase, you'll have the opportunity to:

- Explore student-led projects addressing local issues
- Connect with educators, industry mentors, and community leaders
- Celebrate the achievements of young innovators
- Discover how STEM education is shaping the future of our region

[Professional Internship Program – Start planning once you're at Uni](#)

The Professional Internship Program offers candidates an opportunity to gain professional work experience and improve career opportunities in almost all academic fields and a wide range of industries.*

It is aimed at candidates seeking work experience / internship positions in Australia. An internship is a great way to gain exposure into the professional work environment and develop professional workplace skills.

Tailored training related to your skills and academic background

6 – 26 weeks, full time, non paid training positions

Access to over 7,000 companies Australia wide

[Virtual Internship Program \(VIP\)](#)

The Virtual Internship Program offers students and young professionals an opportunity to gain work experience within an Australian company in a remote professional setting under the supervision of a mentor. Interns get involved in real projects as assigned by the host organisation, in different fields and industries.

A virtual internship is a great way to start your career, improve your skills, be involved in real projects and receive mentorship of experienced professionals -all with flexible hours.

Internship opportunities related to your skills and academic background

6 to 12 weeks, non paid training positions (10 to 30 hours per week)

Access to over 7,000 companies Australia wide

[Sydney Opera House - Architecture Club](#)

22 November

Inspired by the unique design genius of architect Jorn Utzon and the Sydney Opera House, get creative through a series of fun and playful design exercises for beginners or design lovers, whilst learning about the architectural history of the Sydney Opera House. Join Architect and Educator Louise O'Brien in these monthly Saturday afternoon workshops for budding designers. All materials will be provided at the workshop.

[National Institute of Education Residential Academic Insights Summer Program](#)

4-17 January 2026

This immersive Academic Insights summer programme provides ambitious high school students from around the world with an unrivalled experience studying undergraduate-level subjects at the University of Sydney.

In enrolling in this programme, you'll benefit from expert teaching, blended with admissions sessions and essential skill development. Each subject follows a specifically-designed summer school syllabus combining theoretical knowledge with practical application.

Available subjects:

- Medicine
- Engineering
- Business Management
- Creative Writing
- Psychology
- Veterinary Studies

[Ocean with David Attenborough – free documentary screening](#)

30 October

Join us for a special screening of the 2025 documentary Ocean with David Attenborough, a visually stunning and thought-provoking film that explores the ocean's vital role in sustaining life on Earth. It examines the impacts of industrial fishing and ocean warming on marine ecosystems, and highlights the benefits of marine protected areas (MPAs) for biodiversity, communities, and climate resilience.

[UNSW Panel - Air Traffic Investigator](#)

30 October

This topic directly addresses current industry debates about what makes a good air incident (including accidents) investigator, while offering practical insights for improving aviation safety through better investigation practices.

This panel will explore the fundamental tension between traditional aviation expertise and scientific methodology in incident investigation. The discussion will examine whether investigators should primarily be experienced pilots who understand operational realities, or whether scientific training and critical thinking skills are more valuable for uncovering systemic safety issues.

[Think Hacking is Just For Criminals? Think Again!](#)

Ethical hackers – A.K.A penetration testers – are the cyber security superheroes working to protect everything from bank accounts to hospital systems. Their job is to break into systems legally to find weaknesses before the bad guys do. If you're curious, creative and love solving puzzles, ethical hacking could be your next obsession. Even better, there are heaps of ways to build your skills while you're still at school! Try these three hacking programs to get started.

[STEM + X: Technology Webinar](#)

5 November

Join us for a free webinar, supported by QUT, to dive into how you can turn your interest in computer science, game development, and IT systems into a fulfilling career.
